Teachers seining at Norrie Point during the 2008 Summer Institute

Join us for a one-day workshop focusing on Hudson River Ecology.

Teachers will have the opportunity to interact with a scientist from the Cary Institute of Ecosystem Studies, seine in the river, test water quality, and gain resources for teaching students in a variety of grade levels. Sponsored by the Hudson River Research Reserve, Hudson River Estuary Program, NYS Department of Environmental Conservation, and the Cary Institute of Ecosystem Studies. Six hours of professional development credit hours available. **Space is limited, so register soon!**

To register, email [harrisc@caryinstitute.org](mailto:harrisc@caryinstitute.org).  
Questions? Please call Cornelia Harris (845) 677-7600 x321 or Kim Notin (845) 677-7600 x303.

The following additional Hudson River workshops will be held this winter for middle and high school teachers. Register on-line at:

- February 19th at Millbrook HS, [www.mhtc.dcboces.org](http://www.mhtc.dcboces.org)
- March 4th at Wallkill HS, [www.mhtc.dcboces.org](http://www.mhtc.dcboces.org)
- March 12th at Beczak Environmental Center, [scottob@caryinstitute.org](mailto:scottob@caryinstitute.org)
- March 18th at BOCES, [www.mhtc.dcboces.org](http://www.mhtc.dcboces.org)
- March 25th at Saugerties HS, [www.mhtc.dcboces.org](http://www.mhtc.dcboces.org)

**Saturday, April 18th, 2009**  
**9 a.m. - 2:30 p.m.**
